Dear Professor Lau

**ETHICS APPROVAL No:** H-2021-052  
**PROJECT TITLE:** Australian Postural Orthostatic Tachycardia Syndrome Patient Registry (OZ-POTS)

Thank you for the provision of the Annual Report on Project Status, dated 03.01.2024. The requested time extension has been approved. Please note that the University of Adelaide is now authorised to provide five-year approval windows, as reflected in the expiry date below.

The ethics amendment for the above project has been reviewed by the Human Research Ethics Committee Out of Session Review and is deemed to meet the requirements of the *National Statement on Ethical Conduct in Human Research 2023*.

You are authorised to commence your research on: 16/04/2021  
The ethics expiry date for this project is: 30/04/2029

**NAMED INVESTIGATORS:**

Chief Investigator:	Professor Dennis Lau
Student - Postgraduate Doctorate by Research (PhD):	Mrs Marie-Claire Seeley
Associate Investigator:	Ms Celine Gallagher
Associate Investigator:	Mr Jonathan Chieng
Associate Investigator:	Ms Danielle Bailey
Associate Investigator:	Miss Annabelle Dennis
Associate Investigator:	Professor Amanda Page

Ethics approval is granted for five years and is subject to satisfactory annual reporting. The form titled Annual Report on Project Status is to be used when reporting annual progress and project completion and can be downloaded at <http://www.adelaide.edu.au/research-services/oreci/human/reporting/>. Prior to expiry, ethics approval may be extended for a further period.

Participants in the study are to be given a copy of the information sheet and the signed consent form to retain. It is also a condition of approval that you immediately report anything which might warrant review of ethical approval including:

- serious or unexpected adverse effects on participants,
- previously unforeseen events which might affect continued ethical acceptability of the project,
- proposed changes to the protocol or project investigators; and
- the project is discontinued before the expected date of completion.

Yours sincerely,

Professor Paul Delfabbro  
Convenor

The University of Adelaide
