

18 December 2023

Professor Timothy Jones  
Perth Children's Hospital  
Northern Entrance, 15 Hospital Avenue  
Nedlands Western Australia 6009

Dear Professor Jones

**PRN:** RGS0000005014

**Project Title:** The effect of oral insulin on subcutaneous insulin requirements and glycaemia in T1DM

Thank you for submitting the Amendment Form 12/12/2023 for the above project. The submission was reviewed and approved Out of Session on behalf of Child and Adolescent Health Service (CAHS) Human Research Ethics Committee (HREC).

This approval covers the following documents:

Document	Version	Version Date
Oral Insulin on Glycaemia Parent PICF	12	12/12/2023
Oral Insulin on Glycaemia Participant PICF	12	12/12/2023
Oral Insulin on Glycaemia Scientific Protocol	10	12/12/2023

Approval has been provided in accordance with the HREC Terms of Reference and Standard Operating Procedures which are available on the HREC's website. The submission will be tabled for information at the next HREC meeting on 08 February 2024.

As the CPI you must ensure that the project is conducted at all sites under the conditions of approval for this project. The next progress report for this project is due on 16 March 2024.

**This letter constitutes ethical approval only.** If this project is conducted at multiple sites utilising this HREC's approval, a copy of this letter must be made available to all site PIs to maintain authorisation from their site.

Should you have any queries about the Children & Adolescent Health Service Human Research Ethics Committee's consideration of your project, please contact the Ethics Office at [CAHS.Ethics@health.wa.gov.au](mailto:CAHS.Ethics@health.wa.gov.au) or on (08) 6456 8639.

The CAHS HREC Terms of Reference and Standard Operating Procedures are available from the Ethics Office or from [Child and Adolescent Health Service | CAHS - Applying to HREC](#)

**Please accept this letter for your records as a signed copy will not be issued.**

Yours sincerely  
Rose Leonard  
Executive Ethics Officer  
Child and Adolescent Health Service Human Research Ethics Committee
