

Welcome to the QEH. This form has been designed for you to use with your surgeon to ensure you have a good understanding of your medical issues. You are encouraged to ask these questions and any others you may have. This form is yours to keep and use as your own personal health record.

POWER FORM

What is my medical issue (or what do we suspect)?

What are the treatment options (or further tests)?

How does this impact my ability to work/eat/exercise?

What are the risks/benefits of treatment (or what happens if I don't have treatment)?

Who is involved in my treatment and when will it occur?
