Dear Dr. Wali,

Re: 1681-Obs-ERC-2010. PI - Dr. Aisha Wali: Comparison of oral hypoglycemic agent (OHA) and insulin therapy in the treatment of GDM.

Thank you for your response to the ERC recommendations received on November 30, 2010 regarding the above mentioned study.

The clarifications made by you were satisfactory and the modified documents submitted were found appropriate. The study is given an approval for a period of one year. Any changes in the protocol or extension in the period of study should be notified to the Committee for prior approval.

All informed consents should be retained for future reference. A progress report should be submitted to ERC office after six months.

Thank you.

Yours sincerely,

Dr. S. Q. Nizami
