2 February 2017

Dr Angela Chiew
Prince of Wales Hospital
Emergency Department and Clinical Toxicology Unit
Barker Street
RANDWICK NSW 2031

Dear Dr Chiew

HREC ref no: 12/067 (HREC/12/POWH/165)

Project title: Australian Toxicology Monitoring (ATOM) Study

Thank you for submitting an annual progress report dated 27 January 2017.

By delegation from the Human Research Ethics Committee (HREC), the Executive Officer may review and approve progress reports. I am pleased to advise that the project is being undertaken in compliance with ethical approval and the annual report has been approved.

As requested ethics approval is extended to **02 February 2022**.

I am pleased to advise that the following documentation has been approved:

- Annual Progress Report dated 27 January 2017

Ethical approval is valid for the following site(s):

- Prince of Wales Hospital.
- Westmead Children's Hospital
- Royal Prince Alfred Hospital
- Westmead Hospital
- Blacktown Hospital
- Sydney Hospital
- Sydney Children's Hospital
- St George Hospital
- Sutherland Hospital
- Wollongong Hospital
- North Sydney Local Health District

- Calvary Mater Hospital
- Hunter New England Health Service
- Liverpool Hospital

This Annual Progress Report and Extension request has also been reviewed by the Research Governance Officer at SESLHD. Further authorisation of the above approved documents is not required for any site that has the Research Governance conducted by the SESLHD Research Support Office.

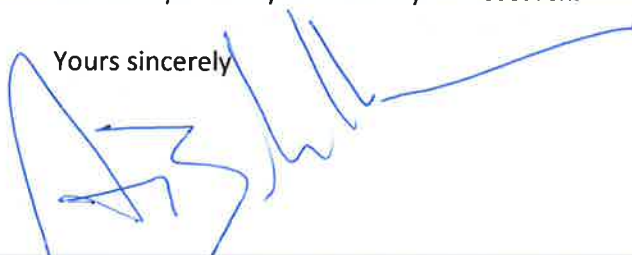

For multi-site projects reviewed by the HREC after 1 January 2011 a copy of this letter must be forwarded to all Principal Investigators at every site approved by the SESLHD HREC for submission to the relevant Research Governance Officer along with a copy of the approved documents.

Should you have any queries, please contact the Research Support Office on (02) 9382 3587. The HREC Terms of Reference, Standard Operating Procedures, membership and standard forms are available from the Research Support Office website:
<http://www.seslhd.health.nsw.gov.au/POWH/researchsupport/default.asp>.

Please quote **12/067** in all correspondence.

We wish you every success in your research.

Yours sincerely

Andrew Bohlken

Executive Officer, Human Research Ethics Committee

This HREC is constituted and operates in accordance with the National Health and Medical Research Council's (NHMRC) *National Statement on Ethical Conduct in Human Research (2007)*, NHMRC and Universities Australia *Australian Code for the Responsible Conduct of Research (2007)* and the *CPMP/ICH Note for Guidance on Good Clinical Practice*.
