Subject: Sapphire: Project - 2018/GNT1158379 variation approved by NHMRC [SEC=UNCLASSIFIED]

Dear Lynette Farquhar,

The variation request has been approved by NHMRC; details listed below:

Grant scheme: Project

Grant Identifier: 2018/GNT1158379

Grant Title: Efficacy and Effectiveness of Prophylactic fOam dressings in the prevention of sacral pressure injuries in at-risk hospitalised patients: The EEPOC Trial

Administering Institution: Griffith University

Variation Identifier: VAR002687

Variation Type: Extend End Date

With comments:

The request to extend the duration of the grant by 12 months to 31/12/2024 has been approved. An Annual Financial Statement covering Research Activity in 2023 is now required to be submitted by 30/04/2024. The Final Report and Acquittal Statement are now due by 30/06/2025. Please note that variations that extend the end date of the Funding Period may affect eligibility to apply for and hold grants in future years. Eligibility to apply for and hold Investigator, Synergy and Ideas Grants will depend on a researcher's NHMRC grant portfolio at the time of application. Please ensure that all CIs on the grant are aware of and have agreed to the Funding Period being extended.

Regards,
NHMRC
