Dear Professor Bucks

**HUMAN RESEARCH ETHICS APPLICATION APPROVAL – THE UNIVERSITY OF WESTERN AUSTRALIA**

*The Raine Study Generation 1-33 year Follow up*

Ethics approval for the above project has been granted in accordance with the requirements of the National Statement on Ethical Conduct in Human Research (National Statement) and the policies and procedures of The University of Western Australia. Please note that the period of ethics approval for this project is five (5) years from the date of this notification. However, ethics approval is conditional upon the submission of satisfactory milestone reports by the designated renewal date. Therefore, initial approval has been granted from 08 Nov 2022 for 12 months.

You are reminded of the following requirements:

1. The application and all supporting documentation form the basis of the ethics approval and you must not depart from the research project that has been approved.
2. The Human Ethics office must be approached for approval in advance for any requested amendments to the approved research project.
3. The Chief Investigator is required to report immediately to the Human Ethics office any adverse or unexpected event or any other event that may impact on the ethics approval for the project.
4. The Chief Investigator must submit a final report upon project completion, even if a research project is discontinued before the anticipated date of completion.

Any conditions of ethics approval that have been imposed are listed below:

- 1.

The University of Western Australia is bound by the National Statement to monitor the progress of all approved projects until completion to ensure continued compliance with ethical principles.

The Human Ethics office will forward a request for a Progress Report approximately 30 days before the due date.

If you have any queries please contact the Human Ethics office at [humanethics@uwa.edu.au](mailto:humanethics@uwa.edu.au). Please ensure that you quote the file reference – 2022/ET000706 – and the associated project title in all future correspondence.
