Dr Rebecca Glauert
School of Population and Global Health

Dear Dr Glauert

HUMAN RESEARCH ETHICS OFFICE – AMENDMENT REQUEST APPROVED

The Raine Study Generation 3

Approval has been granted for the amendment as outlined in your correspondence and attachments (if any) subject to any conditions listed below.

The following is a brief description of the amendment and any conditions that apply:

- Addition of all Stage 2 information and documentation for assessments and questionnaires to be administered to each age group (block) of Generation 3 participants. This information is included within the 'Research design' section, under the 'STAGE 2' subheading.
- Addition of all Stage 2 information and documentation for parent assessments and questionnaires, to be administered to the Raine Study and non-Raine Study parent. This information is included within the 'Research design' section, under the 'STAGE 2' subheading.

If you have any queries, please contact the HEO at humanethics@uwa.edu.au.

Please ensure that you quote the file reference – 2023/ET000219 – and the associated project title in all future correspondence.

Yours sincerely

Shihab Mundekadan
Senior Officer- Human Ethics & Clinical Trials
