Professor Nigel Stocks  
General Practice

Dear Professor Stocks

**ETHICS APPROVAL No:** H-2019-138  
**PROJECT TITLE:** Coverage of influenza, pneumococcus, and herpes zoster immunisation amongst patients with immune-mediated inflammatory conditions and use of reminders to improve vaccination rates in Australian General Practice.

The ethics application for the above project has been reviewed by the Human Research Ethics Committee and is deemed to meet the requirements of the *National Statement on Ethical Conduct in Human Research 2007 (Updated 2018)* involving no more than low risk for research participants.

You are authorised to commence your research on: 06/08/2019  
The ethics expiry date for this project is: 31/08/2022

**NAMED INVESTIGATORS:**

Chief Investigator: Professor Nigel Stocks  
Associate Investigator: Associate Professor David Gonzalez  
Associate Investigator: Dr Carla Bernardo  
Associate Investigator: Dr Oliver Frank  
Associate Investigator: Dr Elizabeth Ann Hoon

**CONDITIONS OF APPROVAL:** Thank you for your responses to the matters raised. The revised application provided on 01/08/19 has been approved.

Ethics approval is granted for three years and is subject to satisfactory annual reporting. The form titled Annual Report on Project Status is to be used when reporting annual progress and project completion and can be downloaded at <http://www.adelaide.edu.au/research-services/oreci/human/reporting/>. Prior to expiry, ethics approval may be extended for a further period.

Participants in the study are to be given a copy of the information sheet and the signed consent form to retain. It is also a condition of approval that you immediately report anything which might warrant review of ethical approval including:

- serious or unexpected adverse effects on participants,
- previously unforeseen events which might affect continued ethical acceptability of the project,
- proposed changes to the protocol or project investigators; and
- the project is discontinued before the expected date of completion.

Yours sincerely,

Professor Paul Delfabbro  
Convenor

The University of Adelaide
