01 September 2023

Professor Timothy Jones
Perth Children's Hospital
Northern Entrance, 15 Hospital Avenue
Nedlands Western Australia 6009

Dear Professor Jones,

PRN: RGS0000000886
Project Title: The use of an advanced hybrid closed loop system in the management of individuals with type 1 diabetes and sub-optimal glycaemic control.

Thank you for submitting the Amendment Form 31/08/2023 for the above project. The submission was reviewed and approved on behalf of the HREC on 01 September 2023.

This approval covers the following documents:

Document	Version	Version Date
20230831_Summary of changes to RGS0886	1	31/08/2023
Protocol HCL Improve Glycaemic Control V17 31Aug2023	17	31/08/2023

Approval has been provided in accordance with the HREC Terms of Reference and Standard Operating Procedures which are available on the HREC's website. The submission will be tabled for information at the next HREC meeting on 21 September 2023.

As the CPI you must ensure that the project is conducted at all sites under the conditions of approval for this project.

The next progress report for this project is due on 09 May 2024.

This letter constitutes ethical approval only.

Please ensure this amendment is submitted to the Research Governance Office for site authorisation.

If you require further information, please contact the Ethics Office on (08) 6456 8639 or CAHS.Ethics@health.wa.gov.au.

Yours sincerely,

Dr Natalie Giles

Delegate of the Chair

Child and Adolescent Health Service Human Research Ethics Committee
