Dr Anand Ramineni

Mater Mothers' Hospital  
Raymond Terrace  
South Brisbane QLD 4101  
Australia

Dear Dr Ramineni

**Project Id:** 77956

**Project Title:** Cyanoacrylate

**Full Project Title:**

**Reference Number:** HREC/MML/77956 (V2)

Thank you for submitting the above research project for single ethical review. This project was considered by the Mater Misericordiae Ltd Human Research Ethics Committee (EC00332) (MML HREC) at its meeting held on 17 August 2021 and I further reviewed on 21 September 2021.

I am pleased to advise you that the above research project meets the requirements of the [National Statement on Ethical Conduct in Human Research \(2007\) updated 2018](#) and ethical approval for this research project has been granted by the Mater Misericordiae Ltd Human Research Ethics Committee (EC00332).

The nominated participating site for this project is:

- Mater Misericordiae Ltd

Note: if additional sites are engaged prior to the commencement of, or during the research project, the Coordinating Principal Investigator is required to notify the MML HREC. Notification of withdrawn sites should also be provided to the MML HREC in a timely fashion.

**This letter constitutes ethical approval only. This project cannot proceed at any site until separate Research Governance Authorisation has been obtained. At Mater Misericordiae Ltd please contact the Research Governance Office on 07 3163 3769.**

The approved/noted documents include:

Document	Version	Date
Human Research Ethics Application (HREA) HREC/MML/77956	2	20-Sep-2021
Cyanoacrylate Consent Form	2	20-Sep-2021
Cyanoacrylate Participant Information Form	2	20-Sep-2021
Cyanoacrylate Research Protocol	2	20-Sep-2021
SecurePortIV TGA Certificate (noted)	-	22-Feb-2019
HREC Cover Letter (noted)	-	02-Aug-2021
HREC Response Letter (noted)	-	20-Sep-2021
CV, Luke Jardine (noted)	-	-
CV, Anand Ramineni (noted)	-	-

Approval of this project by the MML HREC is valid from **22.09.2021 to 22.09.2024**, subject to the following conditions being met:

- The Principal Investigator will immediately report anything that might warrant review of ethical approval of the project.

- The Principal Investigator will notify the MML HREC of any modification that is to be made to the protocol or other project documents and will submit any required amendments.
- The Principal Investigator will submit any necessary reports related to the safety of research participants.
- In accordance with *Section 5.5.5 (a)* of the National Statement, the Principal Investigator will report to the MML HREC annually, the first report to be submitted by **22.09.2022** and a final report submitted on completion of the study with presentation or publication of the main findings.
- The Principal Investigator will notify the MML HREC if the project is discontinued before the expected completion date, with reasons provided.
- The Principal Investigator will notify the MML HREC of any plan to extend the duration of the project past the approval period listed above and will submit any associated required documentation.
- A copy of this approval letter together with completed Site Specific Assessment (SSA) and any other required documents must be submitted by all site Principal Investigators to the Research Governance Office at each participating institution in a timely manner to enable the institution to authorise the commencement of the project at its site.

**Please confirm the commencement date with the Research Ethics office.**

Should you have any queries about the MML HREC's consideration of your project, please contact the HREC Liaison Officer on (07) 3163 1585. The MML HREC Terms of Reference, membership and standard forms are available from our [website](#).

The MML HREC wishes you every success in your research.

Yours sincerely

Professor Ross Pinkerton MD; FRCPCH

**Chairperson**

Mater Misericordiae Ltd Human Research Ethics Committee (EC00332)

***This HREC is constituted and operates in accordance with the National Health and Medical Research Council's (NHMRC) National Statement on Ethical Conduct in Human Research (2007), updated 2015. The processes used by this HREC to review multi-centre research proposals have been certified by the National Health and Medical Research Council.***
