

Study Title: Drawing blood from a peripheral intravenous cannula and its effect on cannula dwell time, phlebitis, and blood stream infection: A randomised controlled study

Declaration by Participant:

- I have read the Participant Information Form (PIF) or someone has read it to me in a language that I understand.
- I understand the purposes, procedures and risks of the research described in the project.
- I have had an opportunity to ask questions and I am satisfied with the answers I have received.
- I understand that any information obtained about me will remain confidential.
- I will be given a signed copy of this document to keep.

Consent to participate in research study:

- I agree to participate in this research project as described in the PIF.
- I give permission for Joondalup Health Campus to release information about me (as detailed in the PIF) to the researchers for the purposes of this project.

Name of Participant (please print) _____

Signature _____ Date _____
