

# Hurts when you urinate? Need to urinate often?

If you're **female** and **aged 18-65 years**  
**speak to our pharmacist today.**

Our pharmacy is participating in the  
NSW clinical trial for pharmacists  
**managing urinary tract infections (UTIs).**

Scan the QR code to learn more  
[health.nsw.gov.au/pharmacy-trial](https://health.nsw.gov.au/pharmacy-trial)

If you need support in your language, tell  
your pharmacist you need an interpreter.

You can choose to participate. If you are  
not eligible for treatment the pharmacist  
may refer you to a doctor or emergency  
department for additional care.
